

## Celebrating a Decade of Meaningful Impact: A testimony of what we can accomplish together!

Dear Families, Partners & Friends of the Keene Housing Kids Collaborative,

This year marks an extraordinary milestone for the Keene Housing Kids Collaborative: our 10th anniversary! Since our founding in 2015, we have worked hand in hand with families, community partners, and supporters to empower our kids to reach their full potential. Today, we pause to celebrate a decade of meaningful impact and to share our vision for the future.

### **There is power in collaboration!**

Over the past ten years, the Keene Housing Kids Collaborative has provided hundreds of children with opportunities to learn, grow, and succeed. These achievements would not have been possible without the steadfast support of our community. To our families, who inspire us every day with their resilience and determination; to our community partners, who have shared their expertise, resources, and time; and to our donors, whose generosity has been the cornerstone of our growth—thank you. Your belief in our mission has fueled our journey, and your contributions have made a lasting difference in the lives of countless children and families.

### **A community investment.**

We are deeply grateful for the financial support that has enabled us to expand our programs and reach more children each year. Your investments in our mission have not only supported our growth but have also laid the foundation for our future sustainability and impact. As we celebrate this milestone, we are reminded that our success is a shared achievement—a testament to what we can accomplish together.

### **So much more to do.**

As we reflect on the past, we are also inspired to look ahead. This year, we are committed to deepening our impact by:

- Expanding access to high-quality out-of-school and summer learning programs to ensure all children in our community have the tools to thrive.
- Strengthening partnerships with local organizations to enhance the range of resources and opportunities available to our families.
- Measuring our outcomes more effectively to track progress toward long-term goals, including the indicators outlined in the Social Genome Model.

### **All kids deserve to thrive!**

Looking beyond 2025, we aim to create even greater opportunities for the children and families we serve by scaling our programs and working to close the opportunity gap once and for all. Together, we can continue to change lives, one child at a time.

We invite you to join us in celebrating this incredible milestone. Stay tuned for upcoming events and initiatives to honor our 10-year anniversary, and please don't hesitate to reach out if you'd like to learn more about how you can be part of our future.

With heartfelt appreciation and excitement for the years ahead,

A handwritten signature in blue ink, appearing to read 'Sally'.
